

Dear Mr. Stewart  
My 3 compound  
you on the review of the points.  
My say of what I found and  
submitted a lot of problems.  
your staff are excellent and so  
helpful.  
Mr. David Hobbins - cycles explained  
everything so thoroughly and  
answered all our questions.  
Mr. Tom Alford - tires well  
checked vehicles with no error.  
Mr. ~~David~~ Whiting Engineer  
was so helpful and arranged  
for what to be spelled before my  
cycles returned to U.S.A.  
He was very impressed with it all

Your lectures on the poems were very  
helpful too.  
I had a slight problem they were  
able to capture some the poems.  
Still in all I am very pleased  
with it and glad to share  
Bostons.

Kind Regards  
J. Taylor
